Camino Real Widening Sum Wins Increase

Extension to Broadway Now Is State Hope, Kelly Reports

Probable termination of the widening of El Camino Real at Broadway, Redwood City, instead of the city limits at Whipple avenue, is in prospect, Col. Frederick Peterson of Burlingame was informed Monday by Earl Lee Kelly, director of California public works.

Peterson, at present assemblyman from San Mateo county and now a candidate for congress from the Eighth congressional district, reported that the original plans to allot $200,000 for the San Mateo-Redwood City widening had been increased to $390,000.

The project is scheduled to be advertised for bids in September, Kelly advised Peterson, and he added: "I wish to assure you that no undue delay will occur in placing the work under way.

"The division of highways," Kelly wrote Peterson, "through our district office at San Francisco, has been engaged for some time past in acquiring rights-of-way through Redwood City on El Camino Real, both north and south of Broadway.

"The termination at Redwood City has not yet been definitely determined, but it will probably terminate at Broadway," Kelly wrote.

Peterson has been one of the strong supporters of the widening project during his legislative tenure.

Burlingame Veteran Victim of Illness

BURLINGAME, June 30—Homer Heald, 46-year-old painter and past commander of the local Matalan Post No. 2068, Veterans of Foreign Wars, died at his home here late yesterday following a brief illness.

A native of Pennsylvania, Heald had lived here for the past nine years. He saw service with marines in Cuba. Besides his veteran affiliations, Heald was a member of the local Masonic lodge.

Surviving relatives include his widow, Mrs. Florence Heald.

Funeral services will be held at 8 p.m. tomorrow at the Wyckoff parlors, with the local V. F. W. post in charge. Burial will follow Thursday in the presidio at San Francisco.

Veterans' Picnic Attended By 250 In County Park

Featured by a baseball game won by the Veterans of Foreign Wars softball team, the third annual basket picnic of the Corp. James Lindsay Wilson Post of the V. F. W. proved a huge success Sunday, with upwards of 250 people attending the affair in Memorial Park.

The baseball team defeated Charles Ely's park WPA ten by an 11-3 score.

During the afternoon, numerous contests were participated in, with George McQueen acting as announcer.

Candidates for office were also introduced.

Music and dancing proved to be an enjoyable feature of the day.

At noon a basket lunch was enjoyed with ice cream and beverages being furnished free.

Committeemen arranging the picnic were Harry Ellen, post commander; Otto J. Fischer, senior vice commander; John W. Dean, junior vice commander; W. F. Chandler, past O. D.; O. K.(OK) Whittenburg, adjutant; A. S. Mayer, guard; Al Esterberg, refreshments, and Ward Tucker, subchairman.

School May Retain Surplus School Fund

SAN MATEO, June 30—Belief that the San Mateo Elementary School Board would get to keep the $14,000 alloted it from state franchise taxes was expressed today by Mayor Frank Simmen and Dr. J. M. Foley, school board members, on their return from a conference with Dixwell Pierce, secretary of the state board of equalization, in Sacramento.

The board had found itself in the unusual position of having money it could not spend, due to the fact that expenditures of the sum would put the district's expenses beyond the 5 per cent limit set by the Riley-Stewart act. It was desired to spend the money for improvements at the school. Pierce asserted he believed the state board would sanction expenditure of the fund.

BASE DELAY RAPPED

MILLS FIELD, June 30—Unless San Francisco acts promptly to lease a portion of this airport to Pan-American Airways, some other coast city may induce the company to establish elsewhere the terminal of its transpacific airlines, the chamber of commerce warned the San Francisco supervisors last night.

Photo shows Ann Sothern and Victor Jory in a scene from "Hell Ship Morgan," which stars George Bancroft. This picture is showing at the Redwood Theatre Friday and Saturday. On the same program is "The Lady Consents," with Ann Harding and Otto Kruger. There will be a continuous show Saturday.

$5600 SOUGHT TO BOOST PAY ON WPA JOBS

Workers May Get Back Pay If Supervisors Plan Succeeds

Decision to ask the federal government to give WPA workers in the county some $5600 in order to make prevailing wages on works relief projects retroactive to May 8 was reached by the board of supervisors Monday.

The move came, after being suggested by Asst. Dist. Atty. Daniel Sullivan, on motion of Supervisor Albert Witt Jr., second of John Poole, and was in answer to demands voiced by Frank Lintner of Menlo Park, appearing on behalf of the Public Works & Unemployed Union.

Lintner, who almost weekly has urged the board to take steps to make good on its promise of May 8 to pay prevailing wages, had asked for a report on the county's findings as to how San Francisco could pay the prevailing wages, while this county could not.

Attorney Sullivan explained that San Francisco, by having Clyde Healy in Washington early in the stage of WPA operations, obtained union pay on its projects from the federal government. Why San Francisco was enabled to do so when other counties failed has always been unexplained, Sullivan said.

Explaining that in the bay city all WPA checks came from the federal government, Sullivan informed the board that such was the case here also, and that the supervisors could not use county money to supplement the federal paychecks.

"If Engineer Marshall took county funds and paid the federal project men, his bondsmen would forfeit his bonds and he would be out of a job," Sullivan explained.

Supervisor Witt, at this point, declared that but for the Scott engineering controversy this county also could have had its projects figured on the prevailing wage scale.

He blamed the Civic League, which balked appointment of a WPA coordinator in the height of the controversy by circulating petitions against it, for the county's failure to obtain the higher pay.

By a queer circumstance, should the federal government agree to make up the difference in pay to WPA workers between the security and prevailing wages, workers on those projects would receive more in money than San Francisco laborers since payment of union wages has served only to shorten hours, not to increase pay checks.

Prevailing wages have been ordered by the federal government to be paid on all WPA projects after July 1.

MORRIS TO GIVE TALK

SAN MATEO, June 30—Fire Chief Hugh Morris received word today that he is to address the annual convention of the Pacific Coast Association of Fire Chiefs in Seattle July 21 on the topic of "Salvage Work in Small Departments."

FERRELL SAYS CHINESE HALL TO BE CLOSED

Colma Gambling Den's Asserted Operation Not To Be Allowed

"We do not propose to sanction their operations."

Referring to the Chinese gambling den which has been operating in Colma and which Asst. Dist. Atty. Daniel Sullivan Saturday took steps to close, Dist. Atty. Gilbert Ferrell Monday, upon his return from a Lake Tahoe convention, cleared up some of the mystery surrounding apparent inactivity of law enforcement officers to abate the place, and at the same time, in the above words, pledged eradication of it and similar places from the county.

Revealing that he had been working on means of closing the establishment since it was called to his attention a month ago by Building Inspector William Watson, Ferrell declared that "it is only a question of time until we'll blast them out of that section."

"There are two or three methods of approach we're working on," he stated. "But at the same time, it is not as easy as some people seem to think to get rid of such a place."

He declared that it is "extremely hard" to get evidence of gambling in such a place since the Chinese cater only to members of their own race. It also is expensive to collect the evidence, the attorney declared, revealing that it cost the county about $1000 to secure removal of the den at Brisbane. However, more than that amount reverted to the county in fines, but not into the district attorney's coffers.

Steps taken by Sullivan to cite owner of the property apparently met approval of Ferrell.

"If it is a gambling joint, we'll close the place on any basis we can find to operate on," he said. "If it is a fire trap, to close it as such is one line of attack. We don't propose to sanction their operations. But we have to meet the difficulties involved as best we can."

The owner has not as yet answered the citation sent him by Sullivan, who declined to reveal his identity. The man has five days to appear, Sullivan said.

Mrs. Ryan Re-elected Humane Society Head

Mrs. J. E. Ryan was re-elected president of the Redwood City Humane Society on Tuesday when the group's annual election was held.

Named to serve with her were John W. Ryan, vice president; Henry Witte, treasurer; Mrs. Nelle Miramontes, secretary, and Mrs. Helen Cullen, publicity director. Mrs. Helen Ralph was appointed to head the membership committee.

There will be no more meetings of the society until the last Friday in September.

Federal Loan Funds Assist

Even Larger Amount Is Expected Here In New Year

Practically tripling building of last year, amount of construction outside cities in San Mateo county for the fiscal year which is ending today, totaled $1,573,431, according to Building Inspector William Watson Jr.'s records.

During the fiscal year of 1934-35, the total in the unincorporated area, over which Watson's department has supervision, was $581,262.

Much of the construction was believed to be due to loans advanced by the Federal Housing Administration.

In San Mateo county, from its inception and up to April 30, the FHA insured 4511 modernization notes totaling $1,303,898, according to Donald Renshaw, state director of the National Emergency Council.

He also revealed that for the entire state, 180,823 modernization notes were insured, totaling $57,665,219.

Because of several large construction projects soon to be started in San Mateo county, Building Inspector Watson looks for a much larger year during 1936-37 than the million and a half of construction recorded this year. New administration buildings and an airplane factory at Mills Field are expected to make the first month's permits more than a quarter million dollars.

LOCAL CRASH BRINGS SUIT

As the result of an automobile accident on the Bayshore highway near Redwood City January 25, an $11,278 damage suit was on file in superior court at San Jose today. It was brought by Mr. and Mrs. John H. Cathron against Gaylord B. Lyon and R. H. Moulton & Company.

Safeway Aide Tells Savings In Food Costs

Elimination of many unnecessary handling charges between producer and consumer, made possible by improved merchandising methods, has removed "countless headaches" from the family budget, Jack O'Loughlin, assistant divisional manager for Safeway Stores, Inc., in San Francisco, said here today.

"It would be interesting," he stated, "if some research organization were to determine just what the modern American merchant has done to help keep down the cost of living.

"The findings would be startling," he continued, "and would unquestionably show a much different picture from the time when prices for necessities, to say nothing of luxuries, were based on what the traffic would bear."

He said it is generally recognized today that retail groups have done their part to lessen the grief over the family's food budget.

"The cost of living has gone up and down since the war," he said, "but the causes were beyond the merchandisers' control. It would have risen much more, and constituted a much graver problem to the consumer, had the modern 'small profit—large sales policy' not been developed.

"As a result the American home owes the modern market a vote of thanks, and so does the producer, whose market has been broadened by aggressive sales promotion, coupled with moderate consumer prices."

WORLD'S GREATEST HOUSEKEEPER SERVES RAILROAD TRAVELERS

Pullman Porter George Linton is seen above explaining to Ruth Bloem just how five thousand sleeping cars, traveling some three and a half million miles a day, are kept supplied with fresh linens throughout the year.

Chicago, Ill.—The Pullman Company, operators of sleeping cars on the railroads of America, on the average annually "sleep" one-fifth of the population of the United States, it was revealed today in a letter received by Harry G. Taylor, Chairman of the Western Association of Railway Executives.

And with this huge overnight sleeping population to care for, the company has become one of the greatest housekeepers in the world—keeping a linen stock on hand totaling close to 9 million pieces.

The company stocks nearly four million towels, over two million sheets, one and three-quarter million pillow slips, five hundred thousand blankets, a similar number of pillows, a quarter million mattresses—and the porter who tends these things has over one hundred fifty thousand white jackets on hand for his own dress.

Employees of this great organization are planning active participation in the celebration of the second annual "Railroad Week" which will be observed in 500 cities and towns throughout the west, July 13th to 18th inclusive.

Cotton Fetes Jury Members

Value of System Told By Judge Cotton; Others Heard

With grand jurors, court aides and newspaper people as his guests, Superior Judge A. R. Cotton was host at dinner in the Benjamin Franklin Hotel, San Mateo, Monday, and in the staging of the unique affair, another precedent was set by the present jury which is to be discharged Thursday.

Foreman A. F. Hunt was toastmaster. Speakers included each of the 18 jurors, nearly a like number of newspapermen and women, the three members of the district attorney's staff, Court Clerk Carl Peterson and Court Reporter Fred Wyckoff—in fact, each person, including the judge, spoke briefly.

In his talk, the final one of the evening, Judge Cotton upheld the value of the grand jury system, pointing out that its greatest usefulness lies in the fact that it may hold secret sessions and is responsible to no one.

EFFECT ON OFFICIALS

"It would be a very foolish thing on the part of the state if it did away with the grand jury," Judge Cotton declared, explaining also that the effect the jury has on public officials merely because they know there is such a thing is beneficial.

As to the present jury, which received numerous testimonials from press, attorneys, and members themselves during the evening, Judge Cotton asserted: "This is the most earnest grand jury I've ever been connected with." As a district attorney aide in San Francisco and Manila, Judge Cotton had experience with 11 other grand juries, he told the gathering.

ACCOMPLISHMENTS TOLD

Foreman Hunt detailed accomplishments of the tradition-shattering jury, which has taken the public into its confidence by means of the press, contrary to the policy pursued by most such inquisitorial bodies, and which dined in the company of the working newspaper people—an event never before known.

Admitting that the expenses of the jury will have been large, Hunt explained that benefits derived by the public from work of the jury are almost unmeasurable.

He and other speakers pointed to the engineering controversy which the jury was instrumental in settling.

Installing of Engineer U. S. Marshall has resulted in the county securing approval of $900,000 in works relief projects, of which the county has contributed only 21 per cent, Hunt said.

EXPENSES OVERPAID

Balking of the appointment of a WPA co-ordinator was also credited to the jury by Hunt, who said this move saved the county $10,000, while a vote on the post, proposed in petitions circulated by the Civic League but halted by recommendation of the jury, would have cost $6,000.

"These things have more than paid the expenses of the grand jury many times over," Hunt asserted.

200 Attend Picnic Of Golden State

With over 200 in attendance, the annual picnic and barbecue of the Golden State Company Ltd. was held at the North Palo Alto plant grounds Sunday. Representatives of the firm from Burlingame to Watsonville were in attendance and M. I. Piers, general manager for the Peninsula-to-King City district, was official host.

San Jose captured the cup donated by Piers for competitive sports, climaxing the day's events by winning the baseball game, 13 to 5.

M'DONALD LOSES AGAIN

Once again James McDonald III, oil fortune heir, has lost an attempt to have his marriage to Mrs. Alecia McDonald annulled. The supreme court, which had previously denied to grant the annulment sought by McDonald on the grounds they were married in Nevada without their parents' consent, when both were under legal age, denied a re-hearing of the case.

County Total Tax Rate Cut Reported Due

Deficits May Prevent Some Anticipated Savings, Report

Some hope for a reduction in the total tax rate for the county but practically no chance of a decrease in the total budget were seen by the board of supervisors today as they neared completion of executive sessions with the proposed expenditure estimates for 1936-37.

While total budget figures were not as yet available, it was believed, members said, that the capital outlay and maintenance budget would be about the same as last year's.

HOSPITAL DEFICIT

Deficits which have been incurred in some departments will prevent slashes which had been anticipated earlier, Supervisor Al Witt Jr., speaking on behalf of the board, asserted.

"The Community Hospital, for one thing, has a $4600 deficit," Witt revealed.

Consequently, allowance must be made in the new budget for this deficit, and because last year's allowed expenditure was more than used, it will be impossible to cut the proposed budget for this largest of county departments, Witt said.

"Our scrutiny of the budget has disclosed that we cut all departments to the bone last year," Witt explained. "Some departments were cut so much a year ago they didn't have enough funds to get through.

'COUNTY GROWING'

"The increase is due principally to the fact that the county is growing, and as a result has heavier expenditures."

While expenses are increasing, revenue from those departments taking in money has also increased, but these funds do not revert to the credit of the department receiving them. The income, however, does go into the general fund, and will serve to aid in reducing the general tax rate, which this year was $1.05, Witt pointed out.

Also aiding in the reduction in rate will be the fact that $50,000 appropriated last year for the livestock pavilion and $27,000 for the Colma drainage canal are expenditures which will not be repeated. Offsetting these savings, however, are election costs and an increase of more than $25,000 in salaries allowed by the supervisors over the funds budgeted last year.

Earlier in the year the supervisors had anticipated savings which would have enabled them to cut the tax rate by 20 cents.

Stewart Gives Up Presidency

State Endeavor Union Elevates L. A. Man To Chief Post

After two years of intensively active work as vice president and president of the California Christian Endeavor Union, Andrew Stewart of Redwood City Monday was allowed to relax as he relinquished the duties of chief of the religious organization to Alfred E. Kurrel of Los Angeles.

Kurrel, former first vice president, succeeded to the presidency as the annual convention, which had an attendance of 2375, came to a close Sunday in San Jose.

Donald Munro of Oakland was unanimously elected to the key office of first vice president-secretary.

Earl Hedrick was chosen financial secretary and Dr. Harry L. Straub, treasurer. Both are from Los Angeles.

Regional vice presidents named are:

Redwood district, Brian Reid of San Rafael; Sacramento area, Leslie Cox of Sacramento; bay region, Dan Condit of Aalameda; San Joaquin district, Jane McCullough of Fresno; southeast area, Adamae Visick of Los Angeles; coast region, Floyd Lafferty of Santa Barbara.

Stewart, employe of the San Mateo County Title Company, presided at the meetings.

During the two years he held the state offices, he was taken nearly every week-end to various parts of the state, and during the week attended numerous committee meetings.

7,000 Barrels Of Cement Aid New Highway

20-Foot Concrete Road Under WPA Program Set By Marshall

County aid in paving Chestnut street from the Bayshore highway to the cement plant was promised by the board of superfisors Monday.

For the project, which will provide a 20-foot cement pavement leading to the Redwood City harbor, the Pacific Portland Cement Company has promised a contribution of 7,000 barrels of salt-resisting cement, valued, according to Engineer U. S. Marshall, at $21,000.

This will be used as part of the sponsor's contribution in seeking to make a WPA project of the road, under the plan approved by the supervisors after being recommended by Engineer Marshall. How much more the county will add was not determined, but will be ascertained by Marshall. The project will be submitted to federal authorities at once.

Total cost is expected to be more than $80,000. The road is 1.9 miles long.

Decision to aid the project, making the county's first contribution to the harbor venture since its approval by the voters of Redwood City in authorizing $266,000 worth of its bonds for its construction, came upon motion of Supervisor Albert Witt Jr., Daly City, and second of John Poole, Redwood City.

DISTRICT BUDGET HEARINGS MAPPED

For what is believed to be the first time in history, sewer, fire, police, maintenance and other county districts will hold what amounts to public hearings before their budgets are approved by the county supervisors, under plans made by the board Monday.

Upon motion of Supervisor Albert Witt Jr. the county clerk was asked to notify board of all subdivisions whose tax rates are to be approved by the board that they should attend a public hearing in the courthouse July 8 at 8 p.m. at which time their budgets are to be discussed.

Decision to call the hearing came when the Menlo Park Fire District asked to have $15,800 set up in the budget for its use during the coming year.

In asking for the hearing, Supervisor Witt pointed out that the supervisors actually are responsible the rest being made up of special for only about half the tax rate, district assessments.

★ ★ ★

CITY JAIL COSTS BEFORE SUPERVISORS

The perennial question of why Redwood City and other jailless municipalities do not pay the county for the keep of their prisoners in the county jail came up again in the supervisors' meeting, and the board asked County Manager Kellogg to investigate the matter and recommend a procedure to be pursued so that these towns may bear their share of the jail cost burden.

The question of Redwood City's using the justice court, rent of which is paid by the county, for its police court, also is to be considered.

Supervisor Fred Beer brought up the topic after Sheriff James J. McGrath's request for $186.54 for jail food over the $2,500 allotted, was approved.

The present grand jury and other inquisitorial bodies have made recommendations that the cities, including Menlo Park, Atherton, San Carlos, Belmont and others, stand their share of the jail costs.

★ ★ ★

FLOOD ESTATE PARK STUDIED

Board Chairman Manuel Francis was authorized by the board to appoint a committee of five to aid in plans for securing and developing recreational areas near population centers of the county.

One of the first projects expected to be considered is the proposed development of a picnic ground out of a section of the Flood estate just south of Redwood City on the Bayshore.

The committee, personnel of which will be announced later, is to consist of one member of the planning commission; one of the recreation commission, the county manager and two citizens.

★ ★ ★

OTHER BOARD BUSINESS

The board agreed to put $1,620 in the budget for predatory animal control.

Permission was granted the Brisbane Social Club to use fireworks July 4.

WPA headquarters were ordered sent a copy of a protest from the Daly City council objecting to appointment of an assistant music supervisor from outside the county.

To the director of public health, Dr. Charles Gans, was refferred a letter from the Community Welfare Association, Daly City, asking for a free clinic and hospital.

Approval was given to ordinance amendments providing for residential zoning in Friendly Acres, Canada road and Junipero Serra boulevard.

Attention of the district attorney and sheriff was called to a recommendation of the Peninsula Fire Chief's Club that the county's anti-fireworks ordinance be strictly enforced.

The district attorney and executive were asked to guard at coming state board of equalization hearings starting July 20 against threatened attempts of public utilities to have county assessments on their properties decreased.

The sum of $25 was voted towards a membership in the American Road Builders Association.

A letter from Ray W. Taylor, San Francisco public relations counsel, asking that he be employed to aid the county in its fight for rapid transit, was referred to the planning commission and county manager for a recommendation.

Requests of Dr. Alan Benner, hospital superintendent, that the Commuiity Hospital's tubercular pavilion be insured; that it be enlarged, and that the bus service to the hospital be subsidized, were promised consideration when the budget is prepared.

Honey Maid Recipes

No matter how you may have been disappointed in your pie crust achievements, there is a way, thank goodness, of making perfectly delicious, flavory, tender pie crust every time! That's the Honey Maid Graham Cracker way, and here is a complete Hawaiian pie recipe that is one of the nicest, yet easiest pies in the world to make:

HAWAIIAN PIE

Crust

25 Sugar Honey Maid Graham Crackers
½ cup butter.
2 tablespoons sugar

Filling

1/3 cup flour.
¾ cup sugar.
½ teaspoon salt.
2 cups crushed pineapple with juice.
1 tablespoon butter.
2 tablespoons lemon juice.

Crumble the crackers fine and mix with soft butter and 2 tablespoons sugar. Line buttered pie plate with two-thirds of the mixture, pressing firmly against bottom and sides. Reserve remainder for top crust.

Mix flour, ¾ cup sugar and salt. Add to pineapple, cook over hot water until mixture is thick. Then add butter and lemon juice. Cool, turn into crumb-lined pan and top with remainder of crust, sprinkled over top. Bake in a hot oven (425 degree F.) 15 to 20 minutes. 6 portions.

ANOTHER QUICK FILLING

1½ cups sliced strawberries or peaches mixed with
6 tablespoons sugar. (Set aside to chill).
1 package strawberry or lemon gelatine dissolved in
1½ cups hot water.

Chill until mixture begins to thicken. Fold in fruit mixture. Whip with rotary egg beater until stiff, ⅔ cup chilled evaporated milk. Fold into the fruit mixture; pile in lower Honey Maid Graham crust after it has been backed for 15 minutes and thoroughly chilled.

Jurors Assert $250 Monthly Should Be Pay

Amount Now Is $150; Charter Amendment In November Seen

In the belief that San Mateo county supervisors are underpaid at $150 a month, the grand jury Monday night recommended that the charter be amended to increase their salary to $250.

"This grand jury deems this salary a very meager one for the number of hours and the work demanded of a supervisor," the jury declared.

Considering also that the growth of San Mateo county will cause even more work, the resolution set forth that "it is the sense of this grand jury that the charter provision, Section 2 of Article I, be amended to read 'each such supervisor shall receive a salary of $250 per month'."

At this time the jury's final report, which will be 125 typewritten pages in length, will be presented to Judge Cotton.

Submission of the charter amendment in the general election would mark the first time such a measure has come before the voters. A vote on four other proposed charter amendments was prevented when Superior Judge Maxwell McNutt ruled the petitions, which had been signed by sufficient electors to bring the matter to a vote, were faulty.

VOTERS APPROVED CUT

In adopting the new charter four years ago, San Mateo county voters cut salary of supervisors from $175 a month.

The measure proposed by the jury can be placed on the ballot by vote of the supervisors.

Details of the grand jury banquet will be found on page 5.

Insurance Valuation Threatens S. M. Row

SAN MATEO, June 29—Renewal of the school insurance row which raged last year in San Mateo was seen as a possibility today as three experts, appointed by the San Mateo Junior College and high school board, went about the task of checking appraisal of the valuc of the city's school property as $1,274,587.

This figure, an increase of $289,381 over the previous valuation, will increase the cost of insurance considerably. Board members pointed out that earlier valuations by the same company, Browne, Scott & Dutton, ranged around $985,206.

The insurance men named to investigate the appraisal and report to the board Thursday were Elliott L. Bristow, Hillsborough, William J. Santee, San Mateo, and E. Warren Small, Burlingame.

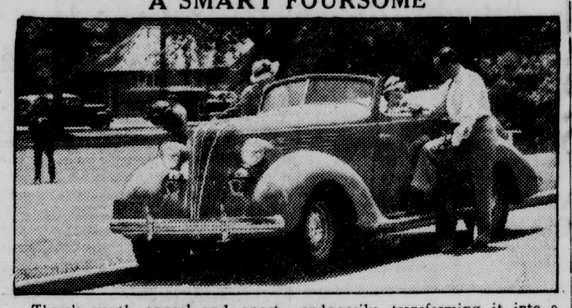
ARIZONA VISITOR GUEST OF MRS. GRIGG

Mrs. Charles Grigg of 111 Birch street is entertaining as her house guest this week Mrs. Roy C. Pender of Tucson, Ariz.

A SMART FOURSOME



There's youth appeal and sport appeal in this powerful Hudson Eight convertible coupe with its power dome cylinder head motor and 124 horsepower. It's just the thing for a day at the golf links or for a cross-country trip. There's utility, too, for the top can be raised quickly and easily, transforming it into a closed car, with the same smart lines that mark it as an open car. Three can ride with comfort in the front seat, for the electric hand does away with the gear shift lever and the parking brake is located conveniently at the left, under the cowl.

JAMES WOOD RETURNS FROM VACATION TOUR

After a two-weeks vacation trip that included visits in Yellowstone National Park and Canada, Mr. James Wood has returned to Redwood City. He made the trip to Yellowstone by way of Nevada, but returned by the northern route, stopping in Vancouver, B. C., Seattle, Portland and The Dalles, where he visited an uncle, and motoring down the Redwood highway.

MADDENS RETURN FROM LAKE TAHOE

Mr. and Mrs. H. C. Madden of 73 Turnsworth avenue, accompanied by her mother, Mrs. Nellie Ellis, have returned to Redwood City after enjoying a two-weeks' motor vacation trip to Lake Tahoe.

T. J. TIGHT FAMILY IN HAWAIIAN ISLANDS

Mr. and Mrs. Dexter J. Tight of the Old La Honda road, Woodside, with their daughters, the Misses Marjorie and Barbara Tight, are enjoying a vacation stay in the Hawaiian Islands.

MRS. BROWN RETURNS FROM ASILOMAR MEETING

Mrs. Henry A. Brown returned Saturday from the Asilomar conference of the Episcopal church which she attended as a representative of St. Peter's Episcopal Church and as diocesan officer of the Woman's Auxiliary.

RETURN FROM WEEK'S STAY AT PACIFIC GROVE

Miss M. E. Bement and Mrs. Mura Davis returned Friday from a week at Pacific Grove, where they stayed while attending the Asilomar conference of the Episcopal Church. Miss Dorothy Davis came down with the university group from Berkeley to the conference.

MR. FRANCIS CROSBY ON FISHING TRIP

Mr. Francis H. Crosby, whose home is on the Alameda de las Pulgas, Redwood City, and a group of his friends are on the way down the coast of California on Mr. Crosby's yacht for a two-week fishing trip. Among those in the party are Messrs. Louis B. Hobart, Barclay Henley and Garner Smith.

Wedding Plans Made By Atherton Girl

The marriage of Miss Mira Hill and Mr. Richard Jacobi will take place July 3 in the garden of the Leopold Oppenheimer home on Tuscaloosa avenue, Atherton. Miss Hill is a daughter of Mrs. Oppenheimer. She was graduated from the Katherine Branson School in Ross and from Stanford. Her education was continued in England. Mr. Jacobi is a son of Alex Jacobi of San Francisco.

After the wedding, the couple will tour the West, and then settle in Salt Lake City, where the bridegroom-elect is in business.

THOMAS JOAQUINS PARENTS OF SON

Mr. and Mrs. Thomas T. Joaquin of 114 Hudson street are receiving congratulations on the birth of a son this morning at the Palo Alto Hospital. The little boy, who weighed nine pounds, four ounces, is the first child in the family and has been named Thomas Stephen Joaquin. His father is manager of the Montgomery Ward store in Redwood City.

MRS. CAROLLA, SON VISITING HER PARENTS

Mrs. A. T. Carolla and her infant son, Ronald Thomas, have left the Middlefield Road Hospital, where the baby was born June 14 and are staying for a short time with Mr. and Mrs. H. Jamieson, parents of Mrs. Carolla, before returning to their own home at 2012 Middlefield road.

LEAVING FOR TRIP TO CANADA AND NORTHEAST

Miss Sara I. Jordan and Miss Margaret Joyce, the latter a member of the North Palo Alto Veterans Administration Hospital staff, left Saturday for a motor trip that will take them to Lake Louise, Montreal, and Portland, Me. In the latter city they will visit relatives.

They will return at the end of July.

FIRST OF TWO FIRE TRUCKS IS COMPLETED

Fast Vehicle Is Sent To Suppression Unit At Saratoga Gap

Arriving just in time to be put in service for expected, but not sought-after, July 4 blazes, one of the county's two new fire trucks was received today from the Oakdale plant where it was built.

Equipped with a 350-gallon water tank, high pressure water pump, and most modern of bodies providing seats for firemen and ample room for many feet of hose and other equipment, the vehicle will weigh approximately seven tons when loaded, yet have a top speed of about 55 miles per hour, according to Fire Warden Bert Werder.

The second of the two trucks which were sent to Oakdale several weeks ago to be equipped is expected to be received in two weeks. It will be stationed at the La Honda fire suppression station, the one received today going to the Saratoga Gap station.

The county purchased the GMC trucks a year ago, paying $1,500 each for the chassis. Equipping of the trucks is costing about $1,750 each.

Acquisition of the modern vehicles gives the county department four trucks in addition to a nearly worn-out 1926 model Dodge commercial, which, for several years, was the only equipment owned by the county department.

Plans are being made by Werder and his aides to patrol the county over the July 4th weekend in an effort to prevent fires. Persons caught even with fireworks in their possession will be prosecuted, Werder said.

A similar campaign to prevent fires will be waged in Santa Clara county, where 12 patrols will be on duty in rural areas. Sheriff's aides in the two counties also will be on duty to prevent use of fireworks.

CARRYING GUN COSTS $25

BURLINGAME, June 30.—Carrying a concealed weapon cost Antonio Talado, 24-year-old Filipino, $25 when he appeared before Justice Gus Risso late yesterday. V. Calin, 30, who was arrested by Capt. Paul Perussina with Talado during a "brake raid," paid $5 for failing to give a proper arm signal.

Miss Lucretia Hall of 1304 Jefferson avenue is enjoying a vacation.

Proposed Budget Given Controller For Compilation

Following another day of study by the supervisors of the maintenance and capital outlay budgets proposed for 1936-37, the controller's office began today to whip the various items into shape so that the supervisors could have an indication of what the tax rate would be before deciding on several proposed expenditures.

Board Chairman Manuel Francis said that the question of fire insurance on the courthouse and Community Hospital, never previously carried, was proving particularly perplexing. The expenditure would be large, Francis said, and the board was hesitating to add to a budget which already gives promise of being as big as last year's.

Acting Controller George Filbert said he expected to have the budget in shape for publication of tentative figures before the end of the week.

Mr. and Mrs. C. E. Wrightsman of Summit Drive, Emerald Lake, are entertaining as house guests two sisters and a brother-in-law of Mrs. Wrightsman, Mrs. C. L. Fisher of Commerce, Okla., and Mr. and Mrs. Jess Black of Los Angeles.

District Pushes For Third Unit Of Coast Road

With bids to be opened in Sacramento late today and contracts awarded for construction of the Pedro Mountain sector of the Ocean Shore highway, Supervisor Manuel Francis, representative of this county on Joint Highway District No. 9, revealed that already the district is making plans to push for construction of a third unit of the road.

However, rivalry has developed between this county and Santa Cruz county over which section should be the next paved, Francis said.

Santa Cruz wants a southern section leading into that district as the next unit, while Francis maintains that the next most important sector should be that between Pescadero and San Gregorio.

Construction of the Pedro unit follows closely the opening of the Thornton-Edgemar sector, which is now open to the public. Celebration of the opening of the unit has been postponed until the latter part of July at a date yet to be set. At that time also, first ground on the new road will be broken.

Details of what construction of the road will mean to the coastside will be found on page 5.

S. J. Students Mourn Manager's Passing

San Jose State College students in this section will be grieved to hear that Webster J. Benton, graduate manager of athletics at the college, died Saturday in the San Jose Hospital following complications after an appendicitis operation three weeks ago.

Giving blood transfusions at the critical period was Byron Lanphear, well-known athlete.

Benton, besides holding the college position, was himself a senior in the business school at Stanford where he was expected to be graduated with an M. A. degree this spring.

Robinson Girl's Insurance Won By Minor Kin

Holding that her $2,000 insurance policy should never have been included as part of the estate of Kathleen Robinson, Redwood City girl mysteriously slain January 26, 1935, in San Mateo, Superior Judge A. R. Cotton today awarded the proceeds of the policy to her young brother and sister, Gordon and Frances.

Suing through their brother, Thomas Robinson, the children had brought the action against their mother, Mrs. Pauline Uhl, as executrix of the murdered girl's estate.

In his ruling, Judge Cotton said that "Kathleen Robinson made a valid gift of the policy of insurance in question during her lifetime for the benefit of the minor plaintiffs".

The policy should "never have been an asset" of Miss Robinson's estate, Judge Cotton held.

The plaintiffs were represented by Attorney Philip Selig Jr.

Santa Fe Stage In Visit Monday To Redwood City

One of the new streamlined motor stages of the Santa Fe Transportation Company was exhibited in Redwood City Monday in front of the Tribune building through arrangements made by W. T. Quirk, manager of the company.

The display here was made possible by Arthur A. Brennan and William H. McMillin of the Santa Fe News Bureau.

The new crimson and cream colored passenger vehicle is the first of a fleet purchased by the Santa Fe, the entire order representing an investment of $250,000.00.

Through a new seating arrangement the passenger is allowed nearly six inches more leg-room for each seat. Built of light metal alloy and deeply cushioned with pure down, the individual chairs recline to a considerably greater degree than in present buses.

This type of equipment will be placed in point to point service throughout the state if intrastate bus permits are granted the Santa Fe Transportation Company by the California Railroad Commission. Applications for such service to be operated jointly with Santa Fe trains in a one-ticket travel service with fares reduced 25% are pending before the commission.

Council Urged To Take Over Cemetery Here

Committee Likes Idea Of Burial Grounds Being Parked

Title to Union Cemetery, placed in the name of Governor John B. Weller March 30, 1859—77 years ago—may be sought for the City of Redwood City in order that city fund assistance might be given in beautifying the burial ground.

This was the recommendation made Monday by a special citizens'-council committee appointed June 16 by Mayor Paul A. McCarthy to work out a solution to end the "deplorable" neglect of the cemetery.

It was estimated that some $15,000 would be needed to put the cemetery in shape, the funds to come from various sources, including WPA. The cemetery is one of the "eyesore" entrances to Redwood City.

FAVOR PARK IDEA

Opinion of the committee of six and others who participated in the discussion seemed to favor the making of the 6-acre plot into a fully lawned-over memorial cemetery.

It was pointed out that many of the noted pioneers who brought Redwood City and San Mateo county into development are buried there; that Civil War, Spanish War and World War veterans lie there; and that the Grand Army of the Republic plot and many fraternal order plots are there.

The plan, toward which the majority of the committee appeared to believe the city should work, would be to halt the further burial of the dead there except in instances where family plots were unfilled.

Two Legion Councils To Picnic August 2

American Legion Posts of San Mateo county will join with posts of San Francisco under the joint auspices of the two county councils in the sponsorship of a family picnic outing in Oak Cove Park, San Mateo, on Sunday, August 2.

The picnic committee consisting of Allison Schofield, West of Twin Peaks Post, chairman; George Condos, Menlo Park Post, vice chairman, and W. A. Henderson, 363rd Inf. Post, secretary, and many other veteran leaders of both counties are making preparations for a gala occasion.

DALY CITY RESIDENT DIES

SAN MATEO, June 29.—Eil Ottermen, 55, Daly City, died at a local hospital Saturday night after a month's illness. He is survived by his widow, Eliza Ottermen, and two children. Funeral services will be held at the Lasswell Mortuary Tuesday at 2 p.m.

'James' Fava Is Latest Victim of Death On Highways

SOUTH SAN FRANCISCO, June 29—San Mateo county's highway death toll reached 26 for the year today as the coroner wrote into his records the fatal accident which snuffed out the life of Giacomo F. ("James") Fava of San Francisco.

Fava, who was 58, was struck and killed Sunday as he was walking on Junipero Serra boulevard at El Camino Real.

Patrolmen who investigated said that Fava was hit by the machine of Robert T. Collier, 159 Clark Drive, San Mateo, who in a vain attempt to avoid the victim, drove his car into another driven by Harold J. Blanchard, 19, San Jose.

Another report said that Fava was hit by one machine and knocked under the other.

He suffered practically instant death.

Fava, who was a native of Italy, is survived by his wife, Emma, and a daughter, Ersina M. Villani.

Funeral services are to be held tomorrow at 10 a. m. from the chapel of the H. F. Suhr Company, San Francisco.

Fava was the 13th pedestrian to be struck down by cars. Eight others of the 26 died in train-auto crashes, only five being killed in automobile collisions on the highways this year. Of the five, two died inside cities; three on state highways.

RETURN TO PENINSULA FROM NEW YORK

Bridge Club Guests Of Mrs. McQueen

Members of a bridge club to which she belongs were guests of Mrs. George McQueen when she entertained at her home, 109 Birch street, Friday evening.

Honors in the evening's bridge games were won by Mrs. Edward Lawler and Mrs. McQueen; consolation went to Mrs. Rex Watkins of Palo Alto. Club members present were Mrs. Ernest Hecht of Daly City, Mrs. Joseph Ross of Woodside, Mrs. Erwin Bork, Mrs. Milton Johnson, Mrs. Lawler, Mrs. Watkins and the hostess.

SOCIAL EVENTS WILL HONOR NEWLYWEDS

In honor of Mrs. L. D. Howard (Elizabeth Lent), Mrs. Richard Stewart (Leonie Weeks) will entertain at a small luncheon at her home in Palo Alto Wednesday. Dr. and Mrs. Howard returned from their honeymoon last week and are settled in their Sacramento street apartment in San Francisco.

The newlyweds will be honored guests of Miss Virginia Allen at a dinner at her home in Woodside July 4.

NORTH P. A. COUPLE MOVES TO WYOMING

Dr. and Mrs. J. T. Arwine have left North Palo Alto for Sheridan, Wyo., where the former is to be on the staff of the Veterans' Administration Facility. He was transferred from the government hospital here.

Miss Daley Sets Date for Marriage To Mr. Roy Dunton

SAN CARLOS, June 29—Miss Betty Daley, bride-elect, has set her wedding date for July 26. That afternoon she will become Mrs. Roy Dunton. Mr. Harry J. Hoehn Jr. will be the best man, and Miss Dorothy Daley, sister of the bride-elect, and Miss Carol Golden will attend the bride. The ceremony will be solemnized at St. Paul's Episcopal Church, Burlingame.

Miss Daley is the daughter of Dr. and Mrs. H. T. Daley of Burlingame. She is a graduate of the Burlingame High School and of a secretarial school in San Francisco. At present she is employed in San Mateo.

Mr. Dunton, who is the son of Mr. Charles Dunton and the late Mrs. Dunton of San Carlos, is a graduate of Burlingame High School and of San Mateo Junior College. He is associated in business in San Mateo.

The young couple will reside on Baytree road, San Carlos, where Mr. Dunton has completed a bungalow for his bride.

County Defendant In Suit Over Gravel

Denied damages by the board of supervisors, trustees for the William D. McCann estate and Jane McCann Minney today filed suit for $1500 for rock and gravel allegedly taken by the County of San Mateo, which, along with former Engineer C. R. Scott, is made defendant in the action.

The gravel was removed from a place on the Canada road between November 20, 1934, and November 15, 1935, according to the complaint. The supervisors on December 31 rejected a claim for the rock on the grounds the property belongs to the county.

Native of S. F. Dies In Burlingame Home

SAN MATEO, June 29.—After a short illness, Mrs. Clara Dreischman died today at the Burlingame home of her daughter, Mrs. Clara Howley. A native of San Francisco, Mrs. Dreischman, 69, came here five years ago. She is survived by two other daughters, Mrs. Bessie Baudewig, also of San Mateo, and Mrs. J. C. Byrd of Hayward, and by two sons, Earl Dreischman of San Francisco, and Ray Dreischman of Santa Cruz. Funeral services will be held at 2 p.m. Monday at the Crosby mortuary, with interment following at Olivet Memorial Park.

Driscoll Dies During Match

Peninsula Capitalist, Athlete, War Hero, Drops Dead

BURLINGAME, June 29—The active life of Thomas A. Driscoll, 62-year-old capitalist, World War hero, polo player and widely known socialite, had come to an end today. He dropped dead in Burlingame yesterday while pursuing one of his favorite activities—tennis.

Although suffering from heart trouble for sometime, Mr. Driscoll played tennis several times a week. He had belonged to the Burlingame club for 37 years.

His collapse came after about a half hour of play. He was dead before physicians could reach him.

Before the war Mr. Driscoll was locally famed as a polo player, and was prominent in San Francisco financial circles.

Because of outstanding accomplishments in the Meuse-Argonne offensive as a lieutenant-colonel serving the 91st division as assistant chief of staff for military intelligence, Mr. Driscoll was awarded the distinguished service medal and the French Legion of Honor.

Following the war he resumed his place in the financial and athletic world. Until a few months ago, when he resigned, he was coast regional manager of the Home Owners Loan Corporation. He was also a director of the Hibernia bank.

Surviving relatives include his widow, Alice, and two sons, Thomas A. Jr. and Lawrason, both of whom were prominent in Stanford athletics.

The family home is at 514 Roehampton road, Hillsborough.

Funeral services will be held tomorrow at the Sneider mortuary

NEW BUILDING PLANNED

SAN CARLOS, June 30—Plans for a new reinforced concrete building to be located on San Carlos avenue near Laurel street have been put in the hands of contractors. The plans call for a reinforced concrete one-story two-store building of Spanish design covering an area of 50 by 70 feet. Jesse N. Davis is owner.

Jean Hersholt, the Dane, has been adopted by the Seneca Indian tribe.

NOTICE OF TRUSTEES' SALE

On Tuesday, the 21st day of July, 1936, at 10:00 o'clock A. M., at the front door of the County Court House in Redwood City, San Mateo County, California, ASA E. HULL and C. M. DOXSEE, trustees, said C. M. Doxsee having been substituted as trustee in the place of H. W. Schaberg, deceased, will sell at public auction to the highest bidder for cash in lawful money of the United States the following described real property situate in the County of San Mateo, State of California, and known and described as follows, to-wit:

Lots 3 and 5 in Block 4 as designated on the map entitled "Map of Resubdivision of Dingee Park," which map was filed in the office of the recorder of the County of San Mateo, State of California, on July 8, 1908, in Liber 6 of Maps at pages 25 and 26.

EXCEPTING THEREFROM AND THEREOUT so much thereof as was conveyed by C. H. Holt et ux to William Hohn et ux by Deed recorded April 29, 1926, in Liber 218 of Official Records at page 377, which excepted portion is particularly described as:

COMMENCING at the most northerly corner of Lot 3 in Block 4 above referred to; thence from said corner along the northeasterly line of said Lot 3, 5.67 feet to a point in said line; thence leaving said line crossing and subdividing aforesaid Lot 3 and parallel with the northwesterly line of aforesaid Lot 3 southwesterly 192.62 feet to the southwesterly line of aforesaid Lot 3; thence along said southwesterly line northwesterly 5.67 feet to the most westerly corner of aforesaid Lot 3; thence along the northwesterly line of said Lot 3 northeasterly 192.86 feet to the point of commencement.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by C. H. HOLT and MADGE HOLT, his wife, as trustors, to ASA E. HULL and H. W. SCHABERG, as trustees for San Mateo County Building and Loan Association, a corporation, as beneficiary, dated October 16th, 1930, and recorded in Volume 492 of Official Records, at page 398, San Mateo County Records; that trustors have made default in the payment of principal and interest on said deed of trust and the promissory note secured thereby and in the payment of taxes on said real property, which default still continues.

Notice of breach of said obligation and election to sell said real property was recorded on January 10th, 1936, in Volume 679 of Official Records, page 200, said San Mateo County Records, and more than three months from the date of the recording of said notice of default and breach and election to sell have elapsed.

This notice is given in compliance with the demand heretofore made on said trustees by San Mateo County Building and Loan Association, a corporation.

Dated: June 19th, 1936.

Your *local* Bank...Yes...

but it has the financial strength of a great California-wide institution . . .

From time to time during the past few years, the citizens of some California city have petitioned Bank of America to extend its services into that community. In this way, many of Bank of America's branches have come into being—*at the request of the communities they serve.*

Once established, a Bank of America branch becomes part of the community—serving it with a *local personnel,* bringing it a complete "big city" banking service . . . frequently lending more money in the community than the *total of all local deposits.*

If you have a banking or financial problem . . . or need a loan for any purpose . . . *first* see the manager of Bank of America. He is a banker ready to serve you . . . to discuss your banking needs and to act according to his own best judgment.
